*Note – You will need to do the following steps for each child's account!

The screenshot shows the ABC Pediatrics patient portal interface. At the top, there is a teal header with the ABC Pediatrics logo on the left. Navigation links include 'Send a Message', 'Schedule an Appointment', and 'Español'. A user selection dropdown menu is open, showing 'Bruce Wayne' and 'Portal18 Test(TRAINING)' as options, with a red arrow pointing to it. Below the header are navigation buttons for 'Home' and 'Inbox (1)'. The main content area is divided into three columns. The left column features a 'Health Summary' section with a silhouette icon and a table of patient information. The middle column has an 'Action Center' with two notification cards. The right column contains an 'Appointments' section with a search bar and filters, and a 'Recent Activity' section with a list of events.

The screenshot displays a patient portal interface for ABC Pediatrics. The top navigation bar includes links for 'Send a Message', 'Schedule an Appointment', 'Hello Batman', 'My Account', and 'Español'. Below this is a secondary navigation bar with 'Home', 'Inbox (1)', 'My Health', and 'My Info'. The main content area is divided into several sections: 'Contact Information' with fields for Email Address, Cell Phone Number, and Cell Phone Carrier (set to Sprint), a 'Validate Cell Phone' button, and a checked checkbox for 'Use your contact information'; 'Appointment Reminders' with checked 'Email' and unchecked 'Text Message' options; 'Appointment Updates' with a 'Health Record' link; and 'Notice of Communication From Provider' with checked 'Email' and unchecked 'Text Message' options. At the bottom, there is an 'Organization Bulletins' section with checked 'Email' and unchecked 'Text Message' options, and a 'Save Changes' button. A central 'Validation Message' dialog box is open, displaying the text 'Your Cell Phone has been validated.' and an 'Ok' button.
